Highlights.

By day, The Glasshouse is a haven of coolness, with sun-drenched interiors and a poolside retreat that beckons relaxation. As evening descends, this remarkable residence transforms into a sophisticated oasis, reminiscent of a softly illuminated rainforest.

Every detail, every creature's comfort, has been meticulously considered in this multi-million-dollar renovation. Ready to be furnished to your tastes, this property allows for an array of interior design ideas to come to life. A swimming pool with both cooling and heating functions caters to your seasonal preferences, while air-conditioned interiors and refreshing sea breezes by the pool always ensure comfort. Multiple living spaces, both indoors and outdoors, make The Glasshouse perfect for family living.

Conveniently located within walking distance of the beach, marina, and Macrossan Street shops, The Glasshouse provides easy access to all that Port Douglas offers. Yet, with its resort-style amenities and mesmerizing views, you may find it difficult to leave the comfort of this smart home.
